### Innovative Teaching Grants Guidelines for Grant Applications

#### Purpose:

Innovative Teaching Grants are designed to encourage, facilitate, recognize and reward innovative and creative instructional approaches to the accomplishment of program objectives. Woodsboro Education Foundation (WEF) is offering teachers and administrators the opportunity to apply for grants to support innovative programs or projects to support higher levels of student learning. The grants must enhance student academic performance and support the objectives, goals, and initiatives of the Campus Improvement Plan.

#### Persons Eligible to Apply for Grants:

Individuals or teams of individuals employed by Woodsboro ISD who are involved in the instruction of students or related support services benefiting students.

#### Eligible Proposals:

Instructional approaches or projects designed to begin during the 2024-2025 school year and which meet the selection criteria. Grants may fund instructional and classroom materials, parent involvement programs, or any activity or material which supports higher levels of student academic achievement.

#### Award of Funds:

Grants of up to \$1,000 will be awarded to individual teacher- initiated programs or projects. Grants of up to \$5,000 will be awarded to campus teams, departments and district- initiated programs or projects. The number of awards will depend on funds available from WEF.

#### Selection Criteria:

- The degree to which the grant supports district goals and the Campus Improvement Plan and is specifically designed to address an area of need substantiated by data.
- The degree to which student academic performance is emphasized.
- The degree to which sound evaluation procedures are incorporated in the proposal.
- The degree to which the proposal represents a creative or innovative approach to the accomplishment of objectives. Funds are not typically available for recurring programs/projects. (The proposal should address a new project as opposed to one accomplished or under way.)
- The degree to which the proposal is clear and logical, including (a) specificity of objectives; (b) clarity of description of instructional procedures, methods or treatments; and (c) correspondence among evaluative procedures, objectives and treatments.

***Grant Applications must be submitted electronically.***

*Email application as an attachment to the campus principal.*

*A hardcopy with original signatures on the cover sheet must be forwarded to the WEF Program Committee Chairperson.*

Selection Process:

1. Application forms may be obtained online through the web page.
2. Teacher initiated applications must be reviewed for congruence with campus programs and then signed by the principal.
3. Signed applications are due to the WEF Program Chairperson no later than the date selected by the WEF Program Committee.
4. Applications will be reviewed and commented on by the Program Review Committee.
5. If recommended for approval, the application is presented to the Board of Directors of WEF in summary form for review and formal approval.
6. If approved by the WEF Board of Directors, the application is collectively presented to the WISD School Board for formal acceptance of the grant funds.
7. Applicants will be notified of decisions by the date specified by the committee.

Responsibilities of Grant Recipients:

- Use the awards for the purposes intended.
- Funds must be expended by the end of the semester immediately following award notification. Projects awarded must be fully implemented by the end of the following semester.
- Project must be fully implemented and final report submitted to WEF before recipients can submit an application for another grant.
- Agree to share successful procedures in staff development sessions.

**When applying for a grant, please remember the following:**

- Grants are to be used to fund projects that cannot be provided for in the school and district budgets.
- Objectives and outcomes should be consistent with the goals of your school and the district.
- Grants cannot be used to fund teacher training or travel. When creating your budget, research carefully and be realistic. Small grants are just as likely to be awarded as large grants. Partial funding will be considered. Funds will not be awarded for budgeted items available from district resources.
- Projects awarded must be fully implemented by the end of the following semester.
